

Speak to your healthcare provider about COMETRIQ® (cabozantinib) 80 mg and 20 mg capsules

Here are some questions you may want to ask your healthcare provider about taking COMETRIQ®. If you think of any others, write them down before your next visit.

- What are the possible benefits of COMETRIQ®?
- What are the possible side effects of COMETRIQ®?
- How is COMETRIQ® different from other treatment options?
- With COMETRIQ®, will I still need to have other treatments?
- How will I know if COMETRIQ® is working?
- How long will it be before I know if COMETRIQ® is working?
- How long will I need to take COMETRIQ®?
- Could you help me work out the best time to take COMETRIQ®?
- Should I call you if I have any side effects?
- Could you help me with ways to manage my side effects?
- Can my dose be changed if I am having side effects?
